2022 Sponsorship Program

St. Mary’s is a Catholic charitable nonprofit health system that strives to bolster health equity and advance community health. Trusted health care providers and staff, in partnership with other health systems, deliver excellent care and compassion to all in our community needing medical care.

The St. Mary’s Health System

St. Mary’s Regional Medical Center
A 233-bed Acute Care Hospital that offers a full range of inpatient and outpatient services.

St. Mary’s d’Youville Pavilion
State of the art rehab center, specialized memory care unit, skilled and long-term nursing care.

St. Mary’s Residences
Independent senior living offering 128 private apartments for elderly and/or handicapped.

MaineHealth Partnership
Expansion of longstanding clinical affiliation to provide services in general surgery, cardiology, and cancer care.

More than a Health Care Provider
St. Mary’s programs for our community and employees promote community health through assistance, advocacy, and education.
Nutrition Center

Food Pantry – emergency food access serving over 1,000 people weekly
Community Gardens – over a dozen thriving urban gardens for community use
Children’s Garden and Cooking Programs – a safe and fun environment that teaches the wonders of growing and cooking healthy food
The Good Food Bus – mobile food market that improves access to good food

Marguerite d’Youville Fund for Financial Crisis
Provides assistant to both employees and patients with emergency needs (housing, heating fuel, transportation, medication, clothing)

d’Youville Pavilion
Activities Program – supports activities that alleviate loneliness, helplessness, and boredom and promote independence, growth, and encouragement to live a meaningful life
Memory Support Program – provides safe and structured environment with activities and designed to promote healthy brain function, reduce stress, and help residents feel safe

2021 Sponsorship Impact
Because of 2021 sponsorships, $85,500 was donated to the St. Mary’s Nutrition Center for their programs.
