2025: A Year of Growth, Renewal and Service

As you read our annual report, I invite you to pause with us in gratitude. In the Catholic tradition, 2025 marked a Jubilee year. This is a sacred time of reflection, renewal, unity and charitable action. It was, and continues to be, a time to recommit ourselves to caring for one another and to walk forward together as “Pilgrims of Hope”. This report reflects how you fueled and supported that spirit at St. Mary’s.

Your generosity sits at the heart of our Mission. Because of you, St. Mary’s continues to deliver warm, personal care with dignity and excellence at the highest levels of quality and safety. **In moments of illness, uncertainty and healing, your kindness surrounds our patients and residents with steady support.**

Throughout this past year, your partnership with us strengthened care across our continuum — from emergency and inpatient services to behavioral health, recovery programs, advanced surgical care and hospital-based primary and specialty services.

At d’Youville Pavilion, staff provided highly skilled, respectful care to individuals with complex health needs. At St. Mary’s Residences, our senior neighbors find stability, community and peace of mind in 128 independent living apartments. **These spaces of warmth and belonging are living expressions of hope — made possible by you.**

Rooted in our Catholic identity and inspired by St. Marguerite d’Youville, **we are called to care for the whole person — mind, body and spirit.** Your generosity transforms that calling into action, renewing hope and restoring dignity across our community.

Thank you for walking alongside us in our health care mission. This annual report reflects what we have accomplished together — and the many lives touched by your extraordinary generosity.

With sincere gratitude,

Winfield S. Brown
