Financial Assistance

Plain Language Summary

Need help paying your hospital bill?

St. Mary's Health System may be able to help. This help is called financial assistance. It is based on your income and family size.

Who can get help?

You may be able to get help with your bill based on your income.

- If your family income is 200% or less of the Federal Poverty Guidelines, you may get a 100% discount.
- If your family income is 201% to 400% of the Federal Poverty Guidelines, you may get a 70% discount.

If you do not have health insurance, you will also get a self-pay discount.

What will I have to pay?

If you qualify for financial assistance, you will not pay more for emergency or other medically necessary care than the amount generally billed to people who have insurance.

What care is covered?

Financial assistance is for emergency care and other medically necessary care.

Some services may not be covered. Care from some independent providers may not be covered. You can find a list of covered and noncovered providers on our website.

You can get emergency care even if you cannot pay.

How do I apply?

You can get an application from St. Mary's Health System. You can also download one from our website.

Fill out the application and give us the information we ask for. We will use it to see if you qualify.

You can get a free copy of the application and full Financial Assistance Policy at:
